MSA ACADEMY
PREPARE FOR EXCELLENCE

12 WEEK COLLEGE SEMESTER

IN HAMBURG, GERMANY, OR ONLINE

- Lessons in English
- Lectures in Biology, Chemistry, Physics, Mathematics, Biochemistry, Anatomy & Medical Theory
- Gain a significant advantage in knowledge
- Increase chances of admission at medical universities
- Participate in admission test

In addition to lessons with international lecturers, there will be daily blocks of time to consolidate your newly acquired knowledge through self-study and follow-up work. You will also be prepared for possible admission interviews and tests at European universities. Provided you need even more support, we will help you to optimize your application documents. If you need to write a letter of motivation, we will of course be happy to help you with that, too.

Learning takes place in small practice groups, which guarantees individual and personal supervision by our specialist lecturers.

Participation in MSA Academy's college semester is not mandatory in order to be accepted at one of our partner universities. However, we strongly advise you to do so, as your participation will provide you with the best prerequisites for successful medical studies.
